

PRINCE EDWARD ISLAND.

Passed April 25th, 1867.

The undermentioned duties are Island Currency. This, of course, affects the rate on the articles charged with specific duty only.

If the duties on any importation of goods exceed £10. (\$32), and do not amount to more than £30. (\$96), a credit of 3 months is given therefor; and if the said duties exceed £30, a credit of six months. Bonds for securing the payment of these duties bear interest on the amount thereof at the rate of six per cent. per annum.

Drawback equal to the whole duty paid or payable is allowed on the exportation of all dutiable articles.

Duties on American Invoices are regulated according to the value of the greenback dollar.

Ad valorem duties on every £100 currency value per Invoice.
