

Depositors must give their Christian and surname in full, occupation and residence, at the time or making the first deposit.

Interest will be allowed to depositors at the rate of four per cent. per annum, which will begin on the first day of the month next after the deposit is made, and will cease on the first day of the month in which the money is withdrawn. Interest will be calculated to the 30th June each year, and added to the principal.

Deposits may be made by any person. If under 10 years of age, a declaration on his or her behalf must be made by a parent or friend of the minor. Deposits may be made by single or married women, but will only be re-paid to the depositor.

Depositors can at any time obtain re-payment of the whole or portion of their deposits, in ordinary account, on application to the Postmaster General, on a form provided for that purpose. A cheque for the amount will be sent to the depositor, payable at any Post Office Savings Bank he may choose to name.

Depositors must forward their books once each year to the Postmaster General, on the anniversary of the day of the first deposit, in order that the entries therein may be compared with the entries in the books of the Postmaster General, and that the interest accruing to the previous 30th June may be added to the principal. No charge for postage will be exacted for the transmission of books, forms, of letters, respecting Savings Bank business.

A depositor may, when he has \$100 or more at his credit in the Savings Bank, transfer the same in even hundreds of dollars to a special deposit account bearing five per cent. interest.

Special deposits will be re-payable to the depositor upon a previous notice of three months.

For statistics of deposits made, see the article on Savings Banks in another part of this volume.
