MILITIA.

During the past year, the Dominion Parliament, 31 Vic., cap. 40, respecting the Militia and defence of Canada, has been carried into effect, and the organization contemplated under its provisions has assumed a practical form.—By that law the militia consists:

1. "Of all the male inhabitants of Canada, of the age of eighteen years and upwards, and under sixty—not exempted or disqualified by law, and being British subjects by birth or naturalization;" but Her Majesty may require all the male inhabitants of the Dominion, capable of bearing arms, to serve in case of a *Levee en Masse*.
