A purely Canadian Institution, with all its funds retained and invested in this country.

Assets (exclusive of uncalled capital) of about \$150 for every \$100 of liability.

The Rates of the CANADA LIFE are lower than those of British or Foreign Offices; and its larger amount of Assurances and of Investments in Canada than any other Company, are satisfactory evidences of the popularity of its principles and practice.

The interest earned on investments is now alone more than sufficient to meet the claims from death, as shown by the following figures:

Amount of claims from death year ending 30th April, 1869. \$61,300
Interest earned on investments 68,318
