the authority of the Commissioner; and such decision shall be communicated to the interested parties, through the Departmental correspondent of the Patent Office.

### NOTICE.

I. Correspondence with the Department is carried through the Canadian Mail, free of postage.

II. Every paper forwarded to the Office should be accompanied by a letter, and a separate letter should be written on every distinct subject.

III. In order to avoid unnecessary explanations and useless loss of time and labour, it is particularly recommended that reference be made to the law before writing on any subject to the Department; and it is also recommended in every case, to have the papers and drawings prepared by competent persons, in the interest both of the applicant and of the public service.

IV. Although it is optional for the applicant to annex drawings to the Specification of a *Caveat* or not, still it is important, in the interest of the inventor, always to attach drawings to such specification.

V. It is in the interest of the applicant that the greatest possible care should be taken with the papers, as dispatch and regularity in the proceedings are thereby promoted.

VI. A copy of the rules with a particular section marked, sent to any person making an enquiry, is intended as a respectful answer by the Office.

 An Official Pamphlet, containing the Forms, will be sent free, on application.
