The expenditure exceeded the revenue in six out of the seven Provinces, the excess being largest in Manitoba. The revenue was highest in proportion to population in British Columbia, and lowest in Nova Scotia; the expenditure was also lowest in Nova Scotia, and highest in Manitoba. Revenue exceeded expenditure only in Ontario. An advance of \$200,000 to Prince Edward Island by the Dominion Government has not been included.

166. The following table gives the ordinary revenues and expenditures of the Provinces of Ontario, Quebec, Manitoba and British Columbia, for the years named therein. The figures were taken from the Provincial Public Accounts or were specially supplied by the Provincial Treasurers. The Treasurers of the Provinces of Nova Scotia, New Brunswick and Prince Edward Island were also applied to, but at present without success. It will be seen that there has been a total excess of expenditure of \$4,788,614.
