

navigation is reported as closing or opening on a particular day, the rivers, lakes and canals are probably navigable for several days in addition, as the steamers and other vessels have to leave or go into winter quarters before the frost commences, and navigation does not actually begin until several days after there is open water.

CLOSING and Opening of Navigation at Montreal and Toronto in the years 1870 to 1892, inclusive.

YEAR.	Montreal.		Toronto.	
	Closing.	Opening.	Closing.	Opening.

1889-90.....	do 29.....	do 14.....	March 1, '90....	do 15.
1890-91.....	do 3.....	do 14.....	December 23....	do 20.
1891-92.....	do 17.....	do 13.....	January 5, '92..	do 31.

18. The following table, which by the kindness of Mr. Charles Latitudes and elevation of principal places. Carpmal, Director of the Meteorological Service, was prepared expressly for this work, gives the latitude, longitude and elevation above the sea of 99 places in the Dominion, and also the mean summer and winter temperature. The summer temperatures are taken from the months of July, August and September, and those of the winter from January, February and March :—
