St. Pierre.....	186,619	245,611	58,992	
Other countries.....	98,537	87,660		10,877
Total.....	98,417,296	113,963,375	15,546,079	

* Includes Danish, Dutch, French and Spanish West Indies. † Not elsewhere specified.

354. There was an increase in value of exports to sixteen countries, the largest increase being in exports to the United Kingdom, the value of which showed an increase of nearly sixteen million dollars, the other principal increases being to Holland, West Indies, other than British, Germany and Newfoundland. The principal decreases were in exports to United States, Australasia and South America.

Increases
and de-
creases.

355. The value of exports, the produce of Canada, during the years 1868-1892, which are divided into periods similar to those in the preceding table of imports, is given below.

Value of
exports of
Canadian
produce to
principal
countries,
1868 1892.
