1410. At the Victoria School of Art, Halifax, there were 117 pupils, being an increase of 11 over the previous year. The receipts amounted to \$2,165, and the expenditure to \$1,965.

1411. The Provincial Board of Education of New Brunswick consists of the Lieutenant-Governor, the members of the Executive Council, the President of the University of New Brunswick, and the Chief Superintendent of Education.

1412. The total number of pupils enrolled during the year was 68,909, being a decrease of 83; there was an increase in the number of schools, as well as an increase in the number of teachers, owing to more assistants being provided in schools where the attendance was large. The average daily attendance for the year was 56.63 per cent, that for the term ended 31st December, 1891, having been 59.82 per cent, and for that ended 30th June, 1892, 53.45 per cent. The proportion of the population attending the public schools, according to the census, was 1 in 4.7.

1413. The Government expenditure for the year on public schools was \$142,681; the county fund amounted to \$93,170, and the district assessment to \$174,866 and \$900 for school-house grants, making a total of \$410,717. The average cost per pupil, including the pupils of superior and grammar schools, was \$5.56.
