‡ The classical colleges in Quebec are a combination of school and college, attended by both boys and young men. They confer certain degrees, and are mostly affiliated with Laval University. It not being possible to separate them, the pupils in these colleges are counted twice over, viz., in this table and in the one in the preceding paragraph.

|| No returns.

1437. The judicial system of Canada has been described in paragraph 30.

1438. The Act authorizing the collection and compilation of Criminal Statistics, came into operation in 1876. The returns are yearly becoming more valuable, greater care being exercised in the collection. The whole system has been reviewed during the year 1893, with the result of adding to the returns the criminals dealt with by the North-west Mounted Police.
