1445. Out of the total number of convictions in 1892, 4,030 were for indictable offences, being 66 more than in 1891.

1446. The following table gives the number of persons charged, the number detained for lunacy the number convicted and the proportion of convictions to charges. It will be seen that the proportion of convictions to charges is considerably higher in 1892 than the average.
