* Six of these made no returns. † Sex not given. ‡ Of this number 492 were insane.

§ Including 74 sex not given. || Including 36, sex not given. a Including 86, sex not given. b Including 128, sex not given.

The next table gives the receipts and expenditures of the several institutions, distinguishing between government aid and other receipts. The funds derived from other sources are generally made up of patients' fees, subscriptions and donations, and, in some cases, municipal aid. The amount derived from patients is, in most cases, very small:—
