*Included in letters returned to writers or offices of origin.

†This large number is accounted for by the fact that an immense number of franchise notices were returned N. C. F. and were refused by the sender and were destroyed.

Of 3,509,500 registered letters estimated to have been sent in 1898 only 113 containing money failed to reach their destination. The contents, or a portion thereof, of 58 were made good by the officials or others held responsible for the loss; 39 were stolen, 2 lost or misdelivered, and in 29 cases no evidence could be obtained to account for discrepancies: 9 accidentally destroyed during course of post; 5 still under investigation, and 1 stated to have not reached office for which intended. There was an increase in the total number sent, as compared with 1897, of 25,000, and a decrease in the number that miscarried of 12. In every 31,279 letters registered one miscarried, a smaller proportion than in 1897, when it was one in 28,076 letters.
