The unsold portion of the land grant of the Manitoba South-western Colonization Railway Company about 400,000 acres, is situate along the International boundary from range 13 in Manitoba to the western boundary of the province and in Southern Alberta. The terms of purchase are the same as those of the Canadian Pacific Railway Company, but in addition to the price the purchaser pays ten cents per acre to defray the cost of surveying the land, this amount being paid over to the government by the company.

The lands of the Columbia and Kootenay Railway and Navigation Company, the British Columbia Southern Railway Company and the Columbia and Western Railway Company are administered by the Canadian Pacific Railway Company. These lands are situated in the favoured district of Yale and Kootenay, and are sold at prices ranging from \$1 to \$5 an acre on terms similar to those governing the sale of the Canadian Pacific Railway lands.
