During the fiscal year 1891, by special Act 54 Vic., chap. 50, the Eastern Extension Railway was embodied in the Intercolonial system.

The Windsor Branch is owned and maintained by the Government, but is operated by the Windsor and Annapolis Railway, who pay one-third of the gross earnings to the Government. The Government's share is generally more than sufficient to cover the cost of maintenance, and during 1902 the profit amounted to \$33,228. The road runs from Windsor to Windsor Junction, a distance of 32 miles.
