* Included in letters returned to writers or offices of origin.

† This large number is accounted for by the fact that an immense number of franchise notices were returned N.C.F. and were refused by the sender and were destroyed.

Of 5,470,000 registered letters estimated to have been sent in 1903 only 114 containing money failed to reach their destination. The contents, or a portion thereof, of 59 were made good by the officials or others held responsible for the loss; 1 was stolen, and in 26 cases no evidence could be obtained to account for discrepancies; 4 accidentally destroyed during course of post, and 24 still under investigation. There was an increase in the total number sent, as compared with 1902, of 497,000, and a decrease in the number that miscarried of 40. In every 47,982 letters registered one miscarried, a smaller proportion than in 1902, when it was one in 32,292 letters.
