* Not given. (*a*) The Government issues no report of hospitals, orphan's homes, &c. (*b*) 1902–03. (*c*) Of this number, 532 were insane or epileptic.

The next table gives the receipts and expenditures of the several institutions, distinguishing between Government aid and other receipts. The funds derived from other sources are generally made up of patients' fees, subscriptions and donations, and, in some cases, municipal aid. The amount derived from patients is, in most cases, very small :—
