* 545 persons were lost by the wreck of the White Star ss. *Atlantic*, in Turn's Bay, Nova Scotia.† The returns of the Dept. of Marine and Fisheries give the number of lives lost at 602, but they erroneously include 562 persons who were drowned in the wreck of the steamship *La Bourgoyne*, which happened 60 miles to the south of Sable Island, and was therefore on the high seas. The vessel was running between New York and Havre.

‡ Year ended June 30.
