¹ British and Canadian sea-going vessels in Canadian waters and Canadian vessels in other waters.

 $^{^2\,545}$ persons were lost by the wreck of the White Star ss. Atlantic in Turns Bay, Nova Scotia.

³ The returns to the Department of Marine and Fisheries give the number of lives lost at 602, but they erroneously include 562 persons who were drowned in the wreck of the steamship *La Bourgogne*, 60 miles to the south of Sable Island and therefore on the high seas. The vessel was running between New York and Havre.

NOTE. The statistics for the years 1895 to 1905 are for the 12 months ending June 30.
