<sup>1</sup>The Eastern inspection division consists of all that portion of Ontario lying east of Port Arthur, and the provinces of Quebec, New Brunswick, Nova Scotia and Prince Edward Island; and the Manitoba division consists of Manitoba, Saskatchewan, Alberta, British Columbia and that portion of the province of Ontario lying west of and including the district of Port Arthur. The statistics of 1905 and 1906 in the table are based on the qualities of grain determined by sections 88-90 of the Grain Inspection Act of 1904.
