## INLAND REVENUE.

**Department of Inland Revenue.**—Under the Inland Revenue Act (R.S. 1906, c. 51) the Department has the control and management of the collection of excise duties, of stamp duties, internal taxes, standard weights and measures and of the collection of bridge and ferry tolls and rents. It administers the statutes which deal with the adulteration of food and other articles, electricity and gas inspection, patent medicines, petroleum, naphtha and the analysis of fertilizers and feeding stuffs. The Department also establishes the food standards, which are put into force from time to time by Orders in Council under the authority of Section 26 of the Adulteration Act. For the year ended March 31, 1914, the total inland revenue of the Dominion amounted to \$21,877,891, as compared with \$21,861,375 in 1913.
