

## LOAN AND TRUST COMPANIES

## LOAN AND TRUST COMPANIES.

**Loan and Trust Companies.**—Up to and including the year 1913 tables were given in the Year Book of the assets and liabilities, with comparative figures for a series of years, of loan companies and building societies. These tables were taken from the "Annual Report of the Affairs of Building Societies, Loan and Trust Companies in the Dominion of Canada," as issued by the Department of Finance. The statistics in this Report were compiled by the Department of Finance partly from the statements required to be furnished under legislation of the Dominion Parliament and partly from returns voluntarily made by corporations operating under provincial charters. The laws relating to loan and trust companies incorporated by Acts of the Parliament of Canada were revised by the Loan and Trust Companies Acts of 1914 (4-5 Geo. V, cc. 40 and 55), and since the passing of these Acts the Annual Report issued by the Department of Finance up to and including the year 1913, has been replaced for the years 1914 and 1915 by "Annual Statements of the Loan and Trust Companies incorporated by Acts of the Parliament of Canada." Tables 50 and 51 show therefore the liabilities and assets of the loan and trust companies as compiled from these statements. They relate to 14 loan and 13 trust companies, and do not include companies or societies operating under provincial charters.
