

AGRICULTURAL PRICES.

**Prices of Canadian Agricultural Produce.**—Tables 33-38 consist of records of average prices of Canadian agricultural produce. Tables 33-36, furnished by the Board of Grain Commissioners for Canada, show the weekly range of the prices of different grades of wheat, oats, barley and flax at Winnipeg and Fort William; these prices are for the weeks ended Saturday. Tables 34, 37 and 38 have been constructed from previous weekly records in recent editions of the Year Book for the purpose of comparing the average monthly prices of agricultural produce during the past four or five years. Tables 34 and 37 give these prices for the four years 1914-17 in respect of wheat, barley, oats and flax at Winnipeg and Fort William and Table 38 gives the prices in British markets of Canadian wheat for the five years 1913-17. For the purpose of these tables the English currency, weights and measures have been converted into Canadian equivalent denominations.
