

Accident Insurance.—The first license of this kind was issued to the Travelers' Co. of Hartford, Conn., in 1868. The first license to a Canadian Co. was that issued to the Accident Insurance Co. of Canada, which was organized in 1872 and commenced business in 1874. Much accident insurance has also been sold by companies doing primarily a life insurance business.

Automobile Insurance.—This is now one of the most important branches of the miscellaneous class of insurance. Premiums increased from \$80,446 in 1910 to \$573,604 in 1915, and to \$6,116,140 in 1922, with an increase in the number of companies from 7 to 85 during the 12 year period.

Plate Glass Insurance.—Policies were first sold in Canada by the Metropolitan Plate Glass Insurance Co., an American concern which withdrew from Canada during 1882 to avoid business restrictions. The 29 companies operating in Canada in 1922 received premiums of \$708,748 and paid claims of \$215,584.

Burglary Insurance.—This type of insurance received but slight attention in Canada until 1918. In 1893, however, one company issued burglary policies. A second followed in 1905, and in 1910 five companies were operating, while at the end of 1922, 25 companies were licensed to do burglary business. For 1922 the premium income of all companies amounted to \$726,076, and the losses paid amounted to \$340,214.
