King's Printer and Controller of Stationery.—The Canada Gazette, published weekly by authority, with occasional supplements and extras, subscription, \$4 per annum payable in advance, single copies, 10 cents each. (Contains weekly a list of current Government publications, as required by Order in Council 1,522). Judgments of the Board of Railway Commissioners, bi-monthly, \$3 per annum, single copies, 20 cents; Canada Law Reports, published monthly, yearly subscription, \$6. Dominion Statutes, 1922, \$4. Acts, Public and Private, with amendments to date, 10 cents to \$1.00 a copy. Canadian Postal Guide, 50 cents yearly, supplements, 25 cents. Parliamentary Debates, "Hansard," issued daily during session, French and English, \$3 per session each for House of Commons and Senate Debates, single copies, 5 cents. Prices of blue-books are in nearly every case printed upon the front cover and are based practically on the cost of paper and presswork. They may be ordered direct from the Superintendent of Stationery, Department of Public Printing and Stationery, or through any bookseller in the Dominion.

Mines.—The Work of the Department of Mines, chiefly scientific and investigatory, is performed by the Department's four principal units, viz: the Geological Survey, Mines Branch, Victoria Memorial Museum Branch, and the Explosives Division.

The Geological Survey carries on areal and economic investigation and research work in mineralogy; The Mines Branch carries on field and laboratory investigations for the furtherance of the mining and metallurgical industries, and the compilation of statistics and information relating to them; the Victoria Memorial Museum Branch carries on scientific investigations in anthropology, archaeology, zoology and botany; and the Explosives Division, in the administration of the Explosives Act, 1914, has supervision of the manufacture, testing, storage and importation of explosives, and the issuing of licenses under the Act.

The Department of Mines publishes an annual administrative report covering the activities of the whole Department, and the branches publish annual reports as well as memoirs and bulletins on special investigations.

The Geological Survey Branch, from 1842 to 1904, published annual volumes. From 1904 to 1910 upwards of 80 reports were issued, all separately. Since then, the publications have consisted of memoirs and bulletins appearing at irregular
