This Act came into effect on Jan. 1, 1924, and is a consolidation of the Motor Vehicles Act, the Highway Travel Act, the Load of Vehicles Act and the Traction Engines Act. The registering authority is the Department of Public Highways, Motor Vehicles Branch, which issues permits that remain in force for the calendar year. Cars may be used without registration for not more than three months in one year if registered in some other province, and for 30 days in one year if registered in certain States of the Union which have entered into agreements with the Province of Ontario. No person under 16 may drive a car, and those between the ages of 16 and 18, as well as all paid chauffeurs, must be licensed. Cars must be equipped with mufflers. The speed limit in cities, towns and villages is 20 miles an hour, in other places 25 miles an hour and at road intersections, where vision is obscured, one-half of these rates of speed. A motor may not pass a street car which has stopped for passengers to get on or off, until the passengers are on or off and safely to the side of the street. At street intersections a vehicle approaching from the right has the right-of-way. All cars are required to be equipped with non-glaring headlights.
