The Land Settlement Board has selected a number of land settlement areas contiguous to the Canadian National railways. Lands within these areas are sold on easy terms for farming purposes, conditional upon development, prices being usually from \$3 to \$10 an acre, a small cash payment being required and the balance spread over a term of years to suit the purchaser. Returned British Columbia soldiers are entitled to abatement of \$500 on purchase price. The Board has power to enforce orders on those owning land within an area to improve it, and to levy a penalty tax for failure, also power to procure compulsory sale of undeveloped land. To establish settlers, loans of from \$250 to \$10,000 are made by the Board for development purposes, not exceeding 60 p.c. of the improved value of the land offered as security.

Timber-cutting rights are acquired by timber-sale. The applicant locates the timber, and, application being made, the area is cruised, surveyed if necessary, and advertised for sale by tender. All particulars are obtainable from the Forest Branch, Department of Lands. Information regarding water-rights for power, irrigation, etc., may be obtained by addressing the Water Rights Branch, Department of Lands.
