Eskimos.—Under an amendment to the Indian Act passed in 1924 (14-15 Geo. V, c. 47), the Eskimos of Canada have been brought under the Department of Indian Affairs. These people, according to the best available information, number over 6,000, widely scattered across the northern part of Canada, in the Mackenzie delta, along the shores of the Arctic ocean, in Baffin land, and on both sides of Hudson bay. A review of the condition of the Eskimos of Canada will be found in the Report of the Department of Indian Affairs for the year ended Mar. 31, 1926.

V.—DEPARTMENT OF SOLDIERS' CIVIL RE-ESTABLISHMENT AND BOARD OF PENSION COMMISSIONERS FOR CANADA.

Three organizations are associated together in dealing with the care, treatment, pensions and rehabilitation of former members of the forces, namely, the Department of Soldiers' Civil Re-establishment, the Board of Pension Commissioners for Canada and the Federal Appeal Board. The Department of Soldiers' Civil Re-establishment is responsible for the medical treatment, vocational training and care of all returned soldiers requiring its assistance; it is also responsible for the payment of all pensions and allowances to which these men may be entitled. The Board of Pension Commissioners is responsible for the adjudication and award of pensions. The Federal Appeal Board, which was created by an amendment to the Pension Act in 1923, is authorized to hear appeals against decisions of the other two bodies
