9.—Prices of Agricultural Produce.

The average monthly cash prices of representative grades of Canadian wheat, oats, barley, flax and rye in the Winnipeg market, basis in store at Fort William and Port Arthur, will be found for each month since January, 1924, in Table 41; the monthly average prices of Canadian wheat, oats and barley at Liverpool are shown for each month since January, 1926, in Table 42, while the average yearly prices of British-grown wheat, barley and oats in the home market are furnished in Table 43; in both of these latter tables British currency is converted into Canadian currency at the average current rates of exchange. The average monthly prices of flour, bran and shorts at Montreal, Toronto, Winnipeg, Minneapolis and Duluth are given for 1926 in Table 44.

The yearly average prices per cwt. of Canadian live stock at Toronto, Montreal, Winnipeg and Edmonton are given for the years 1924, 1925 and 1926 in Table 45, and the average monthly prices in 1926 at these centres and at Calgary in Table 46.
