Grand Total.....	29,646	14,837	44,483 ¹⁰	3,883	4,672	8,555	19,870	8,313	28,183	7,790	6,029	12,819	2,029	1,647	3,676

¹ Taking preparatory lessons in Latin and French only. ² However, Agric., Phar., Theol. and Vet. Science might be added to the above. See respectively Ont. Agric. College, Ont. College of Phar., Victoria, Trinity and St. Michael's and Ont. Vet. College. ³ 79 men and all the women are also included under Toronto, but are not added twice in the Grand Total below. ⁴ 5 students in Theol. College not included in these numbers. ⁵ Brandon College. ⁶ Evidently students taking a preparatory class or two besides their ordinary work. ⁷ There were, in addition, 1,511 of both sexes in Summer Schools, etc. Some of these were in the 2,428 but not all. The amount of duplication is not known. ⁸ 521 of both sexes were in Short Courses. It is not known how many of these are in addition to the 1,463. ⁹ There were in addition 14,369 of both sexes in short and extension courses who are not included in the total of 2,134. ¹⁰ There were over 15,000 students in short and extension courses in Manitoba and Saskatchewan who are not included in this total.

* Including 2,537 in primary affiliated schools. "Primary" does not necessarily mean below high school grade.
