<sup>1</sup>The population of the Prairie Provinces in 1903, 1916 and 1926 is shown on pp. 148-150 of this volume. <sup>2</sup>As corrected as a result of the Extension of Boundaries Act, 1912. <sup>3</sup>As corrected by transfer of population of Fort Smith (368) to Northwest Territories. <sup>4</sup>The decrease shown in the population of the Northwest Territories after 1891 is due to the separation therefrom of vast areas to form Alberta, Saskatchewan and the Yukon Territory, and to extend the boundaries of Quebec, Ontario and Manitoba.
