

## Section 2.—Wages and Hours of Labour Under Minimum Wage Boards in Canada.

### Subsection 1.—Minimum Wages for Females.

The accompanying table gives summary figures as to the minimum rates of wages in force during 1930 under the orders of the various boards, hours in some cases being governed by hours legislation. In some provinces these orders include regulations as to employment conditions, terms of employment, sanitary conditions, etc., and all provide for variations under licence from the Boards to permit lower rates of pay for handicapped employees, etc., and to meet special conditions in the nature of emergencies.

In this table the figures for adult learners and for minors and apprentices are shown in a range covering both classes. There is considerable variation in the rates for such classes in the various industries, and the time allowed for instruction varies considerably, from a few weeks to two years and upwards.
