6.—Provincially Controlled Schools in Canada: Numbers of Pupils Taking Certain Secondary Grade Subjects in each of Six Provinces, 1929.

Norz.—The numbers taking the listed subjects include all pupils of secondary grade in N.S.; secondary pupils enrolled during the second term in N.B.; pupils in secondary schools only (not including secondary pupils in other than secondary schools) in Ontario, Saskatchewan, Alberta and British Columbia. The total show the total enrolment in the schools represented.

¹Canadian History. ²Approximate.

Including continuation and high schools, collegiate institutes, and day vocational full-time pupils.

Teaching Staffs.—As shown in Table 1, the teaching staffs of Canadian schools consisted in 1929 of 68,888 teachers, 13,490 males and 55,398 females. Tables on pp. 73-81 of the "Annual Survey of Education in Canada, 1929" deal in detail with the classification of these teachers, the rates of salary paid and the teaching experience. Table 7 summarizes statistics regarding rates of salary, as far as available.
