Subsection 2.—The Manufactures of Quebec, 1929.

The pulp and paper mills of Quebec, the most important manufacturing unit in the province, produced goods to the gross value of \$129,745,028 in the calendar year 1929. This exceeded by nearly \$59,000,000 the gross value of the products of the railway rolling-stock works (\$70,802,392), which was followed by the cotton yarn and cloth mills (\$59,147,128), and the manufacture of cigars and cigarettes
