¹Including Tunkers. ²Practically all Methodists and Congregationalists and a large number of Presbyterians united to form the United Church of Canada in 1925, although a relatively small number reported themselves as "United Church" in 1921, chiefly in Western Canada where the movement towards union began. ³In earlier censuses only small numbers were included, and Greek Catholics and Greek Orthodox were included under the general term "Greek Church". A rapid increase of both Greek Catholics and Greek Orthodox has been shown for recent censuses and, since the former owe obedience to the Pope in matters of faith, they have been included with the Roman Catholics for 1931.

⁴Including 186,654 Greek Catholics, see footnote 3. ⁵Included with "All other" religions for 1891. ⁶The figures for 1871 cover the four original provinces of Canada only.
