Subsection 9.—Prices of Agricultural Produce.

The average monthly cash prices of representative grades of Canadian wheat, oats, barley, flax and rye in the Winnipeg market—basis, in store at Fort William and Port Arthur—will be found for each month from January, 1933, to December, 1934, in Table 37. The average yearly prices of home-grown wheat, barley and oats in England and Wales are furnished in Table 38; in this table British currency is converted into Canadian currency at par rate of exchange (£=\$4.86). The average monthly prices of flour, bran and shorts at Montreal, Toronto, Winnipeg, Minneapolis and Duluth for 1933 and 1934 are given in Table 39.

The yearly average prices per cwt. of Canadian live stock at Toronto, Montreal, Winnipeg and Edmonton are given for 1932 and 1933 in Table 40 and the average monthly prices in 1933 and 1934 at these centres and at Calgary in Tables 41 and 41A.
