¹For estimates of population upon which per capita figures are calculated, see p. 164.

²Figures revised since the publication of the 1933 Year Book.

Interprovincial and International Trade in Meats.—The shipments of meats and meat products out of each province to other provinces and for export are shown in Table 20. Manitoba was the largest shipper in the aggregate.

Information regarding this traffic may be found in greater detail at pp. 50-59 of the report on “Live Stock and Animal Products Statistics, 1933”, obtainable on application to the Dominion Bureau of Statistics.

20.—Provincial Shipments of Meat Products, with Total Interprovincial and Export Shipments, calendar year 1932.
