**Subsection 3.—War Tax Revenue.**

An account of the various war taxes, imposed in 1915 and subsequently, has already been given on pp. 883-886 in the introduction to this section. For convenience of reference, the amounts received from these taxes since the beginning are segregated and the totals paid in to the Receiver General are given in Table 8. The taxes imposed on banks, trust and loan companies and insurance companies are collected by the Department of Finance. The excise war taxes, the business profits war tax and the income war tax are collected by the Department of National Revenue, formerly the Customs and Excise Department. The amounts of excise war taxes collected from different sources in the past six fiscal years are given in Table 9, while Tables 10 and 11 contain the details by provinces for the two latest years. (See also Tables 40 to 45 of this chapter.)
