

Tables 18 and 18A give the numbers of branches of the various banks, by provinces, as at Dec. 31, 1933 and 1934, while Table 19 contains the statistics of branches of Canadian banks doing business outside of Canada, an extension of Canadian banking (more especially to Newfoundland and the West Indies) which proceeded very rapidly in the war and early post-war period, rising to a total of 206 in 1921. Since then this number has gradually declined to 150 branches and sub-agencies in 1934.
