

### 14.—Assets of Canadian Life Companies and Assets in Canada of Life Companies other than Canadian Companies, 1929-33.

NOTE.—Certain British companies transacting fire insurance in Canada transact also life insurance in Canada, and inasmuch as a separation of assets has not been made between these two classes, their assets in Canada are not included here, but are included in the assets of British companies shown in Table 3 on pp. 1012-1013.
