

**Burglary Insurance.**—In 1893 only one company issued burglary policies. A second followed in 1905 and in 1910 five companies were operating, while 75 companies sold this type of insurance during 1933. The premium income of these companies amounted in 1933 to \$1,126,613, and the losses incurred amounted to \$519,045.

**Hail Insurance.**—Insurance against hailstorms is a class of business of comparatively recent development in Canada. During the year 1933, 40 companies undertook this class of risk, the premiums written amounting to \$494,402, and the losses incurred to \$236,632. The total premiums for the 24 years during which this business had been carried on in Canada amounted to \$66,438,192 and the total losses paid to \$45,695,801.
