² Includes 176 in Yukon in 1 (a) and, for Yukon and N.W.T., 389 in Item 3, 14,000 in population and \$47,866 in expenditures.

³ Schools for the blind, deaf, or mentally defective. These are boarding schools and many of the pupils are from a province other than the one in which they are at school. This is true, too, of industrial or reform schools in some provinces, with enrolments exceeding 3,000, which should properly be included under this heading.
