¹ Includes contributions to teachers' salaries in the Maritime Provinces; and in New Brunswick, grants made to schools by the Vocational Education Board, 1921-33. ² Includes tuition fees where these are recorded. ³ Record not available. ⁴ The Ontario figures include the township grant towards the salaries of rural public school teachers. In the rural municipalities of Manitoba about three-fifths of the school support is equalized by a uniform rate levied over the whole municipality. ⁵ Amount of taxes raised by High School and Collegiate Institute boards from 1914 to 1917 is not available. Estimate of amount (3 p.c. of total taxes raised) included in Saskatchewan for these years. ⁶ In Saskatchewan the debenture indebtedness of the secondary schools is not included until 1922.
