Summary of Life Insurance in Canada, 1935.—In addition to the business transacted by life insurance companies registered by the Dominion, a considerable volume of business is also transacted by companies licensed by the provinces. Statistics of these provincial companies have been collected since 1915 by the Department of Insurance. Table 17, showing policies effected and in force, premiums received and losses paid, in Canada in 1935, summarizes the volume of business done by both life companies and fraternal societies, whether registered by the Dominion or licensed by the provinces. ■
