

Burglary Insurance.—In 1893 only one company issued burglary policies. A second followed in 1905 and in 1910 five companies were operating, while 73 companies sold this type of insurance during 1935. The premium income of these companies amounted in 1935 to \$1,231,268, and the losses incurred amounted to \$627,022.

Hail Insurance.—Insurance against hailstorms is a class of business of comparatively recent development in Canada. During the year 1935, 36 companies undertook this class of risk, the premiums written amounting to \$1,068,670, and the losses incurred to \$636,922. The total premiums for the 26 years during which this business had been carried on in Canada amounted to \$68,001,078 and the total losses paid to \$46,806,069.

18.—Insurance by Companies Registered by the Dominion Government to Transact Business other than Fire and Life in Canada, by Classes of Insurance, 1935.
