¹ Totals include, in many cases, small items unapportioned by provinces.

Summary of Fire Insurance in Canada, 1936.—Of the total amount of fire insurance effected in Canada during each year, a part is sold by companies holding provincial licences and permits. Such companies generally confine their operations to the province of incorporation, but may be allowed to sell insurance in other provinces. The bulk of fire insurance business, however, is transacted by companies registered by the Dominion. Operations in 1936 are summarized in Table 7.

7.—Dominion and Provincial Fire Insurance in Canada, 1936.

Item.	Gross Insurance Written.	Net in Force at End of Year.	Net Premiums Received.	Net Losses Paid.
