

ployment Acts, 1930 to 1937, including \$19,145,258 for the Trans-Canada Highway. The table does not include expenditures by urban municipalities on streets and sidewalks, which have been collected only since 1935, and for the three years 1935-37 amounted to \$34,351,382 for construction and maintenance. The expenditures on these streets during the year 1937 amounted to \$3,881,344 for construction and \$8,333,779 for maintenance. Of the total of \$12,215,123, the sum of \$9,210,050 was expended on roads, \$1,032,697 on bridges and ferries, and \$1,546,605 on sidewalks and footpaths.

## 5.—Summary of Highway Expenditures in Canada, 1919-37.
