Prevised to Apr. 8, 1939.

Subsection 3.—Finances.

The fixed assets of the Corporation as at Mar. 31, 1938, consisting of real estate, buildings, technical equipment, records, music, and studio and office furniture, at book value amounted to \$1,105,649, against which was a reserve for depreciation of \$178,942, leaving a net book value of \$926,706. Fixed assets were increased by \$702,988 during the fiscal year ended Mar. 31, 1938.

The Corporation's operating finances are subject to prudent budgeting control resulting in an adequate operating surplus. A statement of revenue and expenditure during the fiscal year ended Mar. 31, 1938, is shown in Table 7. Of the total expenditure including depreciation in this period, $50 \cdot 3$ p.c. was used for programs, $22 \cdot 1$ p.c. for wire lines, $13 \cdot 2$ p.c. for station operation, $2 \cdot 7$ p.c. for lease of time on private stations, and $6 \cdot 8$ p.c. for administration.
