**National Research Council.**—A list of 773 publications issued by the National Research Council, 1918-33, is available for free distribution on request. This list includes Annual Reports of the Council; Technical Reports Nos. 1-18; Bulletins Nos. 1-19; Mimeographed Reports not hitherto listed as Council publications; Papers reprinted from the Canadian Journal of Research which contain (i) Reports of experimental work carried on in the National Research Laboratories, (ii) Reports of work done elsewhere with financial assistance from the National Research Council. All of these reports have been arranged in chronological order of publication and numbered in sequence. This new series of publications is preceded by the letters "N.R.C. No."

The Canadian Journal of Research has not been included in the N.R.C. No. series. Established as a medium for the publication in Canada of the results of original scientific research carried on in the Dominion, the Canadian Journal of Research is now published in four sections: A—Physical Sciences; B—Chemical Sciences; C—Botanical Sciences; D—Zoological Sciences. The Journal has a wide circulation and is to be found in the leading scientific libraries of the world. From its inception in May, 1929, to the end of Volume 12 in June, 1935, the Journal was issued in a single volume each month. Copies of these 12 volumes unbound are available at \$1.50 each. An index of volumes 1-12 is available at \$1. From July, 1935, the Journal has been published in four sections as noted above. Each section is page 1 separately. Sections A and B are bound in one cover each month and Sections C and D are likewise bound together. The issues from July to December, 1935, were included in Volume 13 (Price \$2). Volume 14 contains the Journals issued in 1936 and one volume has been published each year since then. Single numbers of the Journal are priced at 50 cents each; the yearly subscription for Sections A and B is \$2.50; Sections C and D, \$2.50; the four sections complete \$4.

Additional information regarding Council publications and reports of Council activities may be obtained from the Officer-in-Charge, Research Plans and Publications Section, National Research Council, Ottawa, Canada.
