Subsection 8.—Oriental Immigration.

Oriental Immigration.—The immigration to Canada of Orientals is fundamentally an economic rather than a racial problem, affecting most of all those parts of the country that are nearest to the Orient and the classes that feel their economic position threatened. A record of Oriental immigration since the commencement of the century is given in Table 15, while Table 15A gives the same information for the calendar years for which it has been possible to compile the figures, viz., 1929 to 1938.

15.—Record of Oriental Immigrants by Decades, 1901-30, and for Fiscal Years 1931-39.

NOTE.—Statistics for individual fiscal years 1901-30 will be found at p. 206 of the 1938 Year Book.

Year.	Chinese.	Japanese.	East Indians.	Total.	Year.	Chinese.	Japanese.	East Indians.	Total.
